

Surgery Center of Pinehurst Post Op Instructions after Circumcision

Activity:

You may return to your normal activities as soon as you are able. No tub bath or swimming for 2 weeks. You may shower or sponge bath tomorrow.

Medications:

Take pain medications as prescribed. Pain medications should be taken with food to minimize side effects such as nausea and vomiting. Pain medication may also dehydrate/constipate, so drink plenty of fluids.

Do not drive a car or operate machinery as long as you are taking pain medication.

Appointment:

Please keep your scheduled appointment. If your scheduled appointment is inconvenient for you, please call my office and we will reschedule you for a more convenient time.

Please call my office at 235-9788 if any of the following occur:

Fever above 101

Bleeding from the surgical area

Pain not relieved by pain medication
